VOTE OF CONFIDENCE:

OPEN LETTER TO V.V. GILMAN:

DEAR MR. GILMAN:

IN REGARDS TO THE RECENT UNFAVORABLE PUBLICITY GIVEN YOU IN
OTHER PENINSULAR PAPERS, WE WANT YOU TO KNOW THAT THE EDITOR AND STAFF
OF THE BRISBANE BYLINE DO NOT BELIEVE THE OUTLANDISH CHARGES PLACED
AGAINST YOU.

WE HAVE BEEN CONCERNED BY MANY CITIZENS AND MERCHANTS OF BRISBANE,
AND THEY, TOO, BELIEVE YOU ABSOLUTELY INNOCENT. WE DO NOT BELIEVE
"EVERYTHING WE READ IN THE PAPERS"!

WE WANT YOU TO KNOW THAT IF YOU NEED ANY CHARACTER WITNESSES,
YOU HAVE ALMOST THE ENTIRE TOWN OF BRISBANE TO CHOOSE FROM.

WE BEG YOU TO FIGHT BACK AT THIS RIDICULOUS THING BY FILING
A COUNTER-SUIT---CHARGING DEFAMATION OF CHARACTER, AND FALSE ARREST.

WE INVITE YOU TO USE THE FACILITIES OF THE BYLINE IN YOUR
PLEA FOR CHARACTER WITNESSES, IF YOU SO DESIRE.

WE STAND BEHIND YOU, ONE HUNDRED PERCENT. WE KNOW YOU TOO WELL
TO GIVE ANY CREDIT AT ALL TO THE NEWSPAPER STORIES. WE OFFER YOU OUR
SUPPORT, IF YOU NEED IT. PLEASE ACCEPT OUR HELP AND OUR LOYALTY. THEY
ARE YOURS FOR THE ASKING.

IN ALL SINCERITY---

LEGION AUXILIARY MEETS:

The American Legion Auxiliary Unit 473 held it's usual meeting on Tuesday, Oct 9th, at the Legion Hall, with president Maudo Mullens presiding. Guest speaker Alfreda Pisholh told about her experiences at Girls State--she was the girl chosen by the Brisbane, Daly City, and Broadmoor Units of the Auxiliary to attend Girls State this year.

Guest speakers also were John W. Smith, acting chairman, and Frank Walch, Chief Warden, of the Brisbane Civil Defense Council. Walch showed pictures of his recent trip to Europe, showing the devastation and rebuilding of bombed out towns and cities. Smith and Walch also made a plea for more volunteers to help out in any branch of the Civil Defense. Many Auxiliary members are making arrangements for fingerprinting, so they may serve on the C D Council.

Next meeting of the Auxiliary will be on November 13th.

And then theres "Sonny" Baggett, Dave
Carty, and the two "Stout" or "Stout"
sons--we have no addresses, branches of
service, or knowledge of whereabouts of
them. There are probably many more local
Servicemen--of whom we have heard nothing
at all. We suggest that you check the
above list, and if you son, husband, father,
or boy friend is not on the list--kindly
get in touch with us immediately--as they
too, deserve news from the hometown each
week. And if any of you servicemen on the
above list have changed your address from
that listed--kindly inform us--you'll get
your Byline much quicker with the correct
address on it.

In case any of you are worried because
we have printed the mailing addresses of
the boys--for security reasons--rest
assured that we would not have done it if
we had not been informed repeatedly that
the "enemy" can't make anything out of
"APO" addresses. Therefore, we felt that
because Christmas is so close--it would
be only fair to the boys to give out the
complete list--so those of you who wish
to send cards or gifts may do so. I'm not
worrying about getting the letter back.

We have two letters from the women
this week--but will have to wait for
next issue, because of lack of space. We
think the address list of servicemen im-
portance to use the space that way this
week. Happy cards & letters, boys. EDITOR

REPORT FROM JEFFERSON HIGH:

Shorthand will be taught in an even-
ing class to be started Monday, October
22nd, at the Jefferson Union High School.
This class will meet in room 10, from
seven to nine p.m. each Monday and Wed-
nesday evening.

Mr. George Hinkle of the high school
faculty will be the teacher. Either be-
ginners or those wishing a refresher
course may attend. Everyone interested
in this work is urged to be present the
first night, as continuance of the class
depends upon adequate attendance.

CABIN BY THE ROAD--by Elizabeth Alice
Theis: PART I:

The cabin appeared deserted. "Open
the door," Mrs. Long suggested. "Probab-
ly nobody lives here anymore."

They found the cabin empty--with only
a dilapidated stove and an old bedstead
giving any evidence of a former occupancy.
"Not such a bad cabin at that" Mrs. Long
mused--"Seems like it couldn't have been
empty so very long."

Her husband grunted as she continued--
"It sure needs airing, though--Land sakes
One would think this place had never felt
a fresh gust of wind."

"It smells rotten, if you ask me,"
it was young Tommy, crossing the thresh-
old. Like all inquisitive youngsters he
had been outside--exploring.

"Well, it will have to do," said his
mother--"a thunder storm is coming up,
and this means shelter for tonight." At
that moment, her daughter Elly appeared
with Pooch, the family dog. "Whew!
What smells so funny?"

Tommy was a trifle sarcastic with
his sister at times--"That's what we've
been wondering--might be skunk lily!"
It was then that they noticed Pooch--
scratching at the floorboards in a far
corner--his bristles on end, and a low
growl in his throat. "Pears to me
Pooch has found something," Tommy sugges-
ed. "Maybe a dead skunk--that's the way
he always acts when he finds one."

With the help of pots and pans, food
and bedding, from the old touring car--
they now proceeded to make themselves
comfortable for the night. The atmosphere
grew humid as the skies continued to dark-
en. Nevertheless, doors and windows were
left wide open--because of the over-pow-
ering stench.

"It smells like something dead"--
Elly laughed shakily. "Maybe we'll see
ghosts, then" chided her brother. Elly
--being very feminine for a moment--
squealed and said, "Are there really such
things as ghosts, mother?"

"I've never seen one--but my sister
swore SHE did!" answered her mother.

LOCAL MAN HONORED AT SURPRISE PARTY:

Warren L. Reece, co-owner of the G & R Service and the Brisbane Byline, was honored by a surprise party at the Service Station on his fortieth birthday, Tuesday night, October 16th. Climax of the evening came when he was presented with a round-trip ticket to Union, Oregon, so that he could spend a two-week's vacation with his father, Mr. Theron G. Reece, of the Northeastern Oregon city. Donors of the ticket were his wife, Gladys Reece, and his partner, Galen Gilbroch.

Warren also received many other gifts from the assembled guests, as did his "twin" birthday celebrator, Mrs. Lorene Harris. After an evening of refreshments and much laughter at "gas" gifts and cards, all assembled seemed ready and willing to escort Mr. Reece to the edge of town and send him northward. However, the gentleman in question decided to stay in Brisbane another few days before being banished to the wilds of Oregon, at the mercy of wild deer--(the four-legged variety!) This is hunting season up there for ALL legged varieties--and we hear that it will be a COLD COLD winter!

Those enjoying the hilarity were honor guests Warren Reece and Lorene Harris--Bill Harris, Mrs. Marie Gilbroch, little Gayle Gilbroch, Bud and Lola Miles, Bob Morris (of San Francisco), Jack and Yvonne Smith, Floyd and Jimmie Yarberough, Earle Woodard, Carl and Arlene Puschol, Evelyn Pahlow, and host and hostess Galen Gilbroch and Gladys Reece, besides the many people who dropped into the Service Station for such mundane things as "gasoline" and so forth.

Earlier in the day, your Byline Editor Gladys Reece played hostess at a Steak (\$\$\$\$!) dinner at the Fountain of Youth for her dinner guests--Warren, Lorene, and Galen (Gil). Would like to report here that birthdays come back a year--THANK GOODNESS!

Anyhow, Happy Birthday to Warren and Lorene--and remember--LET'S SEE SOME AT FORTY--SO LET'S SEE SOME AT FORTY--HERE!

REPORT FROM BLAIR'S RANGERS:

On Saturday night, October 13th, we camped on shore at the north end of the tunnel at Sierra Point. There was a full moon, and no wind--and plenty of wood. (This will bring back memories to many former Rangers now serving in the Regulars.) After chow, the Company fell in for drill, in charge of the non-coms. Guard was posted at Taps--10 p.m. Bill Smith, Frank Higgins, and Ray Diaz, Recruits, were on their first overnight with the Rangers, and they did good shooting on the range Sunday A.M. Waldy King was promoted to Ranger 1st Class. There were 27 Rangers present, and the C.O., together with dog "Tyko".

Respectfully submitted by
CAPT. BLAIR.

MODE O' DAY

CLEAN-UP CAMPAIGN SUCCESS:

Last Saturday Frank Belmar, Bud Hanson, Haskell Hanson, and Art Kennedy worked four hours on the bus station on Bayshore Highway--putting on a new roof, repairing, bracing, and painting it--inside and out. They painted the benches and are going to put in linoleum on the floor. The local Chamber of Commerce furnished the paint and roofing paper.

On Sunday, Mr. Casadidio lent his truck to the Clean-Up Committee, and Art Kennedy, Bud Hanson, Herb Tann, and young Sonny Casadidio worked from 9:30 am. to 3 in the afternoon, hauling 12 truckloads of trash away from various residences and vacant lots. Additional help was given by Lou Duncan and a neighbor. Strassburger and his sons cleaned off the vacant lot at Alvarado and San Bruno Avenues--and helped load the truck with the resulting trash.

The citizens did a good job of cleaning up the vacant lots this time.

---Art Kennedy, President
BRISBANE IMPROVEMENT CLUB.

CHAMBER OF COMMERCE WILL HOLD MEETING:

The Brisbane Chamber of Commerce will hold a meeting of Directors on Monday, November 5th, for the purpose of discussing a new Brisbane Directory for 1952. The meeting will be held at Art Kennedy's home at 1100 Humboldt Rd.

COMMUNITY CHEST STARTS DRIVE HERE:

Mrs. Lou Duncan, chairman of the local Chest Drive, says that this year's quota is only \$500--and with that small figure, Brisbane should go over the top. The drive will be on for another week if the quota is not reached this week.
